

LEISURE GENERATORS

MX3800ISE 3800W Electric Start Digital Inverter Generator

Power Your Adventure - Anywhere You Roam

For adventurers, campers, and caravan owners exploring off-grid destinations, portable power is essential. That's where our camping and caravan generators come in—designed to keep your favourite travel comforts running smoothly, no matter how remote the location.

Not all generators are built for life on the move. With years of experience supplying portable power solutions to travellers, we've identified the key features to look for when choosing the right generator for your camping or caravanning lifestyle.

TECHNICAL INFORMATION

Voltage:	240V
